

**DIVE PROFESSIONAL CAREER LEVEL 4:  
TEC DEEP  
106.0 Clock Hours**

Pura Vida Divers Career level 4 is the Tec Deep program. This program begins with the PADI Tec 40 course, which bridges the gap between recreational diving and technical diving. The program then covers the PADI Tec 45 and the PADI Tec 50 courses. This level can be entered at any point once meeting the entry requirements.

**Objective:** The objective of Pura Vida Divers Dive Professional Career Level 4 Tec Deep program is to take experienced recreational divers and elevate their skills and knowledge to a technical diving level. This program cumulates with the PADI Tec 50 certification and prepares candidates to take the next step in technical deep diving.

**Entrance/Admission Requirements:** 18 years old, certified as a PADI Rescue Diver and PADI Enriched Air Diver or PADI recognized equivalents. Proof of a minimum of 100 logged dives with 20 dives on EANx deeper than 60ft and 15 dives deeper than 100ft. Have a PADI Diving Medical Statement signed by a physician (MD or DO) and dated within the previous 12 months. Have Diving Accident Insurance (Divers Alert Network Insurance is recommended).
