

**DIVE PROFESSIONAL CAREER LEVEL 5:
TEC DEEP SIDEMOUNT
138.0 Clock Hours**

Pura Vida Divers Career level 5 is the Tec Deep Sidemount program. This program begins with the PADI Tec Sidemount course. The program then covers the PADI Tec 40, PADI Tec 45 and the PADI Tec 50 courses, all of which are conducted in sidemount. This level can be entered at any point once meeting the entry requirements.

Objective: The objective of Pura Vida Divers Dive Professional Career Level 5 Tec Deep Sidemount program is to take experienced recreational divers and elevate their skills and knowledge to a technical diving level using a sidemount gear configuration. This program cumulates with the PADI Tec 50 certification and prepares candidates to take the next step in technical deep diving.

Entrance/Admission Requirements: 18 years old, certified as a PADI Rescue Diver and PADI Enriched Air Diver or PADI recognized equivalents. Proof of a minimum of 100 logged dives with 20 dives on EANx deeper than 60ft and 15 dives deeper than 100ft. Have a PADI Diving Medical Statement signed by a physician (MD or DO) and dated within the previous 12 months. Have Diving Accident Insurance (Divers Alert Network Insurance is recommended).
