The webpage: <http://www.benefits.gov> is a useful information source.

The full School name for section 10A is: Pura Vida Divers LLC.

The VA will send you a “Certificate of Eligibility” with your acceptance letter. Submit this to the VA Director at Pura Vida Divers.

Contact Pura Vida Diver’s Director of Training Jillian Blakkan-Strauss at Training@puravidadivers.com with any questions about your career education/training.

Once we have received your Certificate of Eligibility we will register you with the VA as a student of Pura Vida Divers for the program/s you have selected. If your eligibility status is Post 9/11 the VA will pay us directly for your eligible training. If your status is the Montgomery Bill there are a couple of additional steps.
